To: Deputy Director (Plans)

Inasmuch as it has been determined by competent authority that [REDACTED] is to be regarded as an emergency area, the fact that the jurisdiction of this station has been administratively transferred from the SE Division to the WE Division does not alter this emergency status. Unless and until competent authority determines that [REDACTED] is no longer to be regarded as an emergency area, it shall be so regarded and Agency rules and Regulations applicable to an emergency area shall apply.
